All – here's what I'd suggest regarding the points that Carol Ann wanted to have added into the dicamba discussion. But if you all could please review and edit it up – I'd appreciate it.

I see the full TPs didn't get attached. Here's the most recent version Carol Ann sent forward.

Hi Mike,

See the desk statement and Q&As that Allison provided earlier this afternoon. This, combined with the web content, should suffice. + Allison

I'd like to add something on 24(c) to these remarks. Otherwise good to go. We have a bunch of press responses that address the 24(c) issue.

Danny & Tom – Attached for your review are draft Talking Points for Alex's opening remarks at next week's RDD/OCSP Meeting, 11 am Tuesday November 17. We defer to you to decide when they are ready for Alex's review. (I'm copying Mary & Jonah just to let them know the OPS is on the job.)

I've also attached the draft agenda.

Please let us know if you'd like us to do additional work on these, or if you'll take it from here.
Kaitlin Picone has the lead for OPS.
